### Initial Cleaning

Initial cleanings can be a quick 30 minute process or take days. It all depends on the condition of your pool once opened. Our initial cleaning rates start at \$105/hr and/or part of any hour. **This may or may not happen the same day as your opening.**

Initial Cleaning

**Please Note to avoid additional charges...**

- 1) Make sure debris and extra water is removed from top of cover prior to our arrival**

If we need to remove debris or pump excess water out prior to opening our service fee of \$105/hr or part of any hour will be added

- 2) Be sure there is power to the pool equipment, we have access to your pool area, all equipment necessary to start the pool is available, and pool water level is not too low to start up the pool**

If we are unable to complete the pool opening due to one of these reasons you will be charged our \$105 service fee and will need to reschedule the opening

**Terms and Conditions**

- You agree to all of the terms and conditions listed below by signing below.
- Vacuuming services are not provided by the tech until requested; pools are opened in "AS IN CONDITION". The electrical connection, the structure, the safety of the pool or spa, or any other accessories are not covered by Penk's Pools LLC's liability policy. Any pre-existing damage to the pool, accessories, equipment, or property is the exclusive responsibility of the property owner; this service is only intended to open your pool and/or spa.
- Maintaining proper water chemistry is necessary. Poor water chemistry can result in equipment and plumbing failing before they should, which is not covered by the conditions of the warranties provided here. Proper water chemistry maintenance is the exclusive responsibility of the customer. Proper water levels must constantly be kept up by customers on their own.
- Without a formal estimate, payment agreement, and/or prior payment, NO services will be rendered.
- Any payments and late fines will be your responsibility, and you acknowledge this.
- Pool cleaning/vacuumping and any other services not specifically mentioned are not included in the pool opening/closing service. Reaching pool return fittings from the pool deck is impossible in certain pools due to features like rock walls or other architectural elements. Under these circumstances, swimming is necessary. Members of the Service Team may decide not to enter the water if they believe it is too chilly to do so safely.

*This contract specifies all of the terms and conditions pertaining to these services. No oral promises made by either party shall be binding. This agreement can only be modified in writing and supported by such documentation. Please sign your name and the date below to indicate that you have read, understood, and agreed to the terms and conditions set forth on all pages of this contract and that Penk's Pools LLC is authorized to carry out the aforementioned tasks.*
